

Ref. No. SAHmc/2026/005

Date: 02-01-2026

## Academic Committee

Since few faculty members have recently been relieved of or have discontinued their services with the institution, it has become necessary to reconstitute the Academic Committee to ensure the smooth and uninterrupted functioning of academic activities. Accordingly, newly joined faculty members from various departments have been inducted into the Academic Committee to maintain continuity and efficiency in academic operations.

The restructured Academic Committee will be responsible for overseeing and coordinating essential academic tasks, including the collection and compilation of teachers' schedules, preparation and management of timetables, organization of MST (Mid-Semester Test) examinations, and other related academic responsibilities.

The committee will also ensure strict confidentiality in all examination-related matters, including exam paper handling, allocation of examination duties, seating arrangements, and roll number management.

In addition, the committee will supervise the preparation and timely revision of timetables for ongoing batches in the college. It will regularly monitor and follow up on faculty teaching schedules to ensure adherence to the prescribed academic calendar and proper distribution of classes in accordance with NCISM guidelines.

The committee will also ensure that the syllabus is covered systematically and within the stipulated timeframe, thereby maintaining academic standards and supporting students' learning outcomes effectively.

Members of committee are as follows:

Chairperson: **Dr Abhishek** (Vice Principal)
